MISSION PROJECT

Do you have toothbrushes that you can't use? Often the dentist gives you a new one after a checkup. If you use an electric toothbrush they lay in your drawers. Can we have them please? We are making personal care kits for the mission projects and could really use them. Also, if you have extra combs, we can use them also. We will put a basket on the round table in the back of the fellowship hall to place them in. THANK YOU IN ADVANCE.
