We are especially in need of colors . The Dollar General has them for \$.50 per box of 24. We can only ship boxes of 24. If you are shopping and see them, will you please pick them up? Thanks

Join us August 10 at 9:45 for a brunch. The free will offering will be used to buy school supplies and help with the freight. In many countries people are not allowed to go to school unless they have adequate supplies. Last year we were able to make around 100 kits to make sure the people can go to school. This helps them get out of poverty and get a better start on life.
